

BLOG: CLAIRE AGRE ON LONGWOOD GARDENS

30-08-2017

West 8 New York's principal Claire Agre wrote a blogpost about our work at Longwood Gardens . She reflects on designing Longwood's masterplan and working on the grand Main Fountain Garden revitalization.

'Along with our client team at Longwood, we have a huge ambition—to further root the Gardens within the canon of the greatest gardens of the world. For this, we have to be unabashedly ambitious—to imagine what the next 40 years can hold, what the next generation will experience, and even more boldly, to consider the Gardens in the arc of the most majestic places on earth.'
