

WEST 8 PRESENTS AT "SELECTED" IN BILBAO

16-11-2017

A two-day event "SELECTED", is a design and visual arts' festival located in the charming capital of Biscay, Bilbao, the most cosmopolitan city of the Northern Spain, intended to thrust the creativity and inspiration to all of its attendees. It will bring interested everyone with the most up-to-date innovative developments in design community.

Representing West 8, Project Leader, architect, Juan Tur, will take part in the debates on Friday November 17 and present a keynote presentation 'Creating a second nature', go in depth with other co-'selected' talents of different fields to discuss about the relationships between business and design and exchange ideas and creative solutions.

With more than ten years of experience in the design and implementation of large-scale urban transformations, Juan Tur has been active as project manager and design team-leader in the development of unique projects both in Spain (Regeneration of Playa de Palma, and the Linear Park La Sagrera in Barcelona) as well as abroad, working in Russia, China, Colombia or Algiers. Other co-'selected' artists can be found [here](#).

Apart from the presence of selected elites speakers, every year they call entries also from new talents in design field and organise travelling exhibition. Do not miss out this big design event by checking it out [here](#).
