

NEW WORK OF ART IN PARK LEIDSCHÉ RIJN

09-02-2009

A majority of 662 inhabitants of Leidsche Rijn has chosen 'Observatorium' by Lucas Lenglet as the best design for the new work of art at the playground of Leidsche Rijn Park. People can climb this 14 m high tower and enjoy views of the park and its surroundings. The work of art will be part of the modern sculptural garden that will be opened in September 2009 by Beyond. Beyond is the long-range art program that will place seven works of art in the Leidsche Rijn Park.
