

NIEUW CROOSWIJK NOMINATED FOR ROTTERDAM ARCHITECTURE AWARD

10-12-2012

Blok C, Wandeloord of the project Nieuw Crooswijk, has been nominated for the Rotterdam Architectuurprijs Rotterdam. The Architectuurprijs, or Architecture Award, is an initiative by the Municipality of Rotterdam to stimulate the architectural climate in Rotterdam. This year 24 projects have been nominated for the award. A jury of experts will select a winner. The result will be announced 19 December 2012 at the conference 'Rotterdam in Ontwikkeling' in De Doelen.

All residents of Rotterdam have the opportunity to vote for their favourite project at the website of the [Rotterdam Architectuurprijs](#); the best voted project will receive the Public Award.
