

WEST 8 TO PRESENT AT SPRING LECTURE SERIES, IN MINNESOTA

08-05-2013

Adriaan Geuze is invited to present at the Walker Art Centre in Minnesota this May.

Adriaan Geuze was invited by the Minneapolis Parks Foundation with its partners the Walker Art Center, the Department of Landscape Architecture and College of Design – University of Minnesota, and American Society of Landscape Architects – Minnesota Chapter to present his lecture on Tuesday the **16th of May 2013**. His lecture is titled “Creating People Parks: Governor’s Island, New York City”

The Next Generation of Parks™ was established by the Minneapolis Parks Foundation in 2011, with the intention of informing and inspiring park enthusiasts and cultivating future stewards of the park system; leading discussion about, and be a catalyst for, “what parks could be”. Their vision is initiated through parks programming, design education, innovation and implementation.
